连环画是时代的一面镜子。它不仅在绘画艺术发展史上占有重要地位，而且是社会进步和人民文化生活日趋丰富的生动体现。革命题材连环画承载着新中国一代人的童年记忆，并随着时间的流逝而愈见珍贵。革命题材连环画独特的创作手法和形式是对红色经典的丰富和深化，此次展览将展出 9 组 40 余幅作品，包括《毛主席青年时期的故事》、《人民的好总理》、《列宁参加义务劳动》、《刘胡兰》等一系列国内外革命题材连环画原作，也是中国民间最具权威性质的革命题材连环画展，具有重要的教育和历史文化意义。

Serial-Picture is a mirror of the times. It not only holds an important position in the historical development of art history but also reflects social development and the increasingly rich cultural life of the people. The revolution-themed serial-pictures carrying the childhood memories for a generation who grew up after the establishment of the new China have become more valuable with the elapsing of time. The unique creation technique and form of these serial-pictures enrich and deepen the meaning of "Red Classics" works. This exhibition displays nine series of more than forty original revolution-themed serial-pictures, including 'Chairman Mao's Stories in His Youth', 'People's Good Premier', 'Lenin Joins Voluntary Labour' and 'Liu Hulan' etc, which is of profound historical and cultural significance as the most authoritative collection in this field among nongovernmental Chinese organization.
